Are you a parent or caregiver looking for resources and support?

Home Visitation

A voluntary home visitation program that will provide support to prenatal families and families with newborns younger than 3 months up to 5 years. Gives young children stronger, more supportive relationships with their parents through in-home services on a variety of topics, including parenting skills, early childhood development, literacy, etc. Connects parents with community resources to help them better support their child's health and early learning.

Family Support for Children with Special Needs

Provides in-home support for parents of children birth to five with suspected developmental delays who are not eligible for publicly-funded early intervention services i.e. AzEIP, DDD, Head Start, School District Special Ed.

Parent Education Community-Based Training

Strengthens families with young children by providing voluntary classes in community-based settings.

Community-based parenting education classes for families with children 0 – 5 who show evidence of developmental delays to address issues of early language and literacy, parenting skills, information and resources.

Family Support Coordination

Assists families with children 0 – 5 years old in accessing multiple support services (housing, health, employment, family issues, education) and simplifies the application process when connecting with selected resources.

Partnering organizations: Arizona Partnership for Children (AzPaC), Crisis Nursery, International Rescue Committee (IRC), Phoenix Children's Hospital (PCH), Southwest Human Development (SWHD), TERROS, United Cerebral Palsy of Arizona (UCP)
